What to Bring: Tennis Racquet and refillable water bottle, comfortable athletic clothing and tennis shoes
(Langford Farms can provide a junior racquet if your child does not have one)

10 and Under Tennis: The emphasis is to have fun, compete, and develop the correct foundation of strokes utilizing kid-sized courts, low compression balls and proper sized racquets. The benefits are immediate and children are quickly learning to rally; playing real points and having fun. Separate courts will be utilized for different skill levels.

Junior Tennis (11 and up): These clinics are designed with an emphasis on developing and building fundamental tennis skills, strokes and mechanics. The goal is to introduce, prepare and advance players toward competitive match play. Separate courts will be utilized for different skill levels.

Head Pro Phil Dillon: Phil has been teaching tennis to youth and adults in the Nashville area since 1994. He joined Langford Farms in July 2015 and looks to continue his work with both Juniors and Adults, from the Beginner to Advanced levels. For more information on private lessons, group clinics, the popular “Phil’s Drills” for adults, or questions about what group your child should register for, please contact Phil at 615/482-8791.
