

Summer on the Farm 2019

COLOR WARS 2018

Welcome to Summer on the Farm 2019. Our goal at Langford Farms is to offer children the opportunity to unplug and connect with others. With a wide variety of activities, and a supportive and nurturing staff, we aim to provide an environment where children can grow, develop new skills and become more confident, surrounded by a community of friends that can last a lifetime. Our goal each and every summer is to try and understand what makes an environment special for the kids, different from the other ten months of the year, where they are not graded on results, only praised for giving it a try. While we strive to provide a fun, safe, interesting and varied camp program, the magic that makes camp happen comes from the campers themselves, who continue the legacy from summer to summer. Like our Color Wars tradition, so many memories are created and shared and it's these magic moments that bring kids back every summer. Come join us and let the magic begin.

CAMP AT A GLANCE:

Age Groups:

Junior Camp: Completed Grades K – 5: Activities are centered around a camp environment that offers an activity-based program with fun and challenging camp experiences, led by our highly trained counselors who provide guidance and encouragement. Activities include daily swimming, gym and field games, cooperative games, art and crafting opportunities, unique programming, themed activities, down time in the electronic game room, special events and more. Campers also have opportunities to customize their schedule by choosing their Majors and Minors.

For our youngest campers, those who have completed grades K/1, we have created a unique camp environment specifically for them, involving most of the traditional camp activities, while under the watchful eye of our counselors. Campers must have completed kindergarten in order to attend the Langford Farms camp program and should be able to independently change in and out of clothing, swimsuits, shoes, etc.

Note: Please be advised that Langford Farms is a large, social and athletic activity program. We provide structured and varied activities for the entire camp day. We recognize this may not be a good fit for all children. If you'd like to discuss if our program is a good fit, please feel free to contact the club at 615/754-8650.

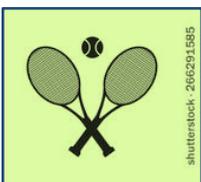

Senior Camp: Completed Grades 6 – 8: Our middle school camp group operates on its own schedule but will also participate in many of the whole camp and recreational activities, including daily swim time, gym and field games. In addition, they will have weekly field trips, camp and community service projects, leadership training, and ample down time for group bonding under the leadership of active staff role models.

Leader-in-Training Program: Completed Grades 7 - 8: As part of the Senior camp, the LIT program is an **optional** programming choice for campers in this group. LIT's will be intentionally integrated into the camp as youth leaders. This program will allow them the opportunity to participate in all the fun aspects of camp while also being able to take on some responsibility and develop leadership skills. LIT's will be with a Junior camp group in the morning, assisting with younger campers, and then will rejoin their Senior camp group for afternoon activities. Campers who would like to participate in the LIT program option should show interest and aptitude in the following areas: Building positive relationships with younger children, serving others and the community around them, leadership, collaborating with peers in a project-based setting, and positive role-model behavior

High School Volunteers: This program is for highly responsible high school students who have an interest in working with children. There are a limited number of spots available and anyone interested must fill out an application. Applications will be reviewed, and students and their parents will be notified of the decision. Decisions will be made based on availability, application process, references, and the discretion of camp management. Being part of this program is a great way to develop job training while in a positive learning environment. It is something that can be put on a resume for future employment and can meet the high school volunteer hours requirement.

The Camp Day:

Children will be placed in a camp group according to age/grade and will remain with their group for the majority of the day. Daily group schedules offer a variety of age-specific activities. Opportunities to interact with other children in the camp program will occur during Majors and Minors, special camp events and whole camp activities.

CLUB PROGRAMS: Opportunities to participate in Langford Farms Club programs such as swim and tennis lessons are available while at camp. Information on dates, fees and registration will be available at a later date. Check for updates on the website, www.langfordfarmsclub.com. Participation on the Langford Farms Swim Team requires a membership to the club. Call the office for more information.

Minors: All campers will select Minors each day from a counselor-led list of options. They will be updated weekly and changed through the summer so that each day offers the opportunity for a new experience. Minors will not be determined until we have finalized staff for the summer and will be posted for the children each week, but may include activities such as athletics, art, building, dance, drama, creative writing, book club, chess, etc.

Majors: Each week, our older campers will be able to choose their Majors. Majors will have either an Art or Sport emphasis and are more instructional in nature, offering a more well-rounded experience and the opportunity to earn achievement awards, ribbons and medals. FAQ'S:

Deposits and Registration: A camp spot is reserved with a non-refundable registration fee for each camper, payment in full, or minimally, a \$25 deposit/week/child, at the time of registration. Deposits are deducted from the weekly or monthly camp tuition fees due. Deposits will be fully refunded if cancellation is made before May 1st.

Enrollment: Langford Farms Club accepts enrollment on a first come, first served basis. Registration is complete when we have received the registration form, emergency form, permission and waiver form, registration fee and deposit, per child. Upon receipt and completion of camper registration, a confirmation email will be sent. If a camp group or week is full, you will be notified of the opportunity to place your child on a wait list. Important camp information will be sent out to all families prior to the start of camp.

Payment: Weekly and monthly tuition payments will be billed per the tuition payment schedule dates, however, you are welcome to pay the tuition balance any time prior to the due date. If we are unable to process your payment you will be notified. Resolution of declined payments must be completed within 2 days, including all any fees, in order to continue participation in the program. Choosing to pay via cash or check does not exclude you from filling out the automatic billing section.

Schedule Adjustments:

We understand scheduling changes can occur and will do our best to accommodate your requests. Please fill out the camp change form to add, cancel or switch weeks. All requests must be submitted for approval at least one week in advance for consideration.

Adding Weeks: A week may be added if space is available. The \$25 deposit will be required to add a week of camp.

Cancelling Weeks: You will not be charged for a week if cancellation has been requested with at least one week of advance notice, however, the deposit is non-refundable if the request is made after May 1st.

Transferring Weeks: You may switch weeks if space is available, and the request was made with at least 1 week of notice. Your deposit will transfer to the new week if approved. Only 1 deposit can be applied per week.

Non-Attendance: Tuition is based on enrollment, not attendance. If your child does not attend a week of camp that was reserved for you, and cancellation was not requested with one weeks' notice, your deposit will not be refunded or transferred, and payment will still be required.

Camp Hours: Camp programmed activities run from approximately 8:30am to 4:30pm. Extended care hours, for the convenience of working parents and caregivers, are from 6:30am to 6:00pm. There is no extra charge for this service. A late pick-up fee will be charged if a child is picked up after 6:00pm. Please be prepared to pay when you arrive, or it will be added to your next billing cycle if a balance is due. Rates are \$1/minute late: *Example: 6:15 pickup = \$15.*

Drop-off/Pick-up: All children must be signed in and out each day at the office. Campers may be signed out, by an adult over the age of 18, and only to those adults indicated on the authorized persons list, or with written parental permission given in advance.

Lunch/Snacks: Langford Farms does not provide lunch, so a sack lunch is recommended. We will provide an afternoon snack for all campers, but our K/1st campers should additionally bring a morning snack. Information on other options for lunch and snacks will be communicated in the parent handbook, which will go out in May.

What to Bring: Please provide a refillable water bottle, lunch, snacks, sunscreen, swimsuit and towel, and a bag for all their belongings. Many children have similar items so labeling everything with your child's name is recommended. It is also recommended that campers wear tennis shoes and clothing that can get wet and dirty, in order to fully participate in many of the daily activities.

Parent Handbook: Information on how to prepare your child for camp and general information regarding the Langford Farms camp program will be forwarded to all camp families, via email, prior to the start of camp.

Questions: Please feel free to contact the office at 615/754-8650 with any questions.
