

Summer on the Farm 2020

Welcome to Summer on the Farm 2020. Our goal at Langford Farms is to offer children the opportunity to unplug and connect with others. While our camp has grown quite a bit, our camp philosophy has not. Our commitment to our families to provide a caring environment and offer the best possible summer camp for kids remains unchanged. With a wide variety of activities, and a supportive and nurturing staff, we aim to provide an environment where children can grow, develop new skills and become more confident, surrounded by a community of friends that can last a lifetime. An LFC summer is filled with sports, art, music, games, adventures, traditions and more.

“Contagious: of an emotion, feeling or attitude likely to spread to and affect others”. Our camp is exactly that. The smiles, laughs, attitude and fun are the best and most memorable part of camp. So, pack up the sunscreen and water bottles and join us in the contagious moments that bring kids back every summer. Let’s make some memories!

2020 CAMP AT A GLANCE

Junior Camp: Completed Grades K – 5: Activities are centered around a camp environment that offers an activity-based program with fun and challenging camp experiences, led by our highly trained counselors who provide guidance and encouragement. Activities include daily swimming, gym and field games, cooperative games, art and crafting opportunities, outdoor adventures, themed activities, down time in the electronic game room, special events and more. Campers also have opportunities to customize their schedule by choosing their Majors and Minors.

For our youngest campers, those who have completed grades K/1, we have created a unique camp environment specifically for them, involving most of the traditional camp activities, while under the watchful eye of our counselors. Campers must have completed kindergarten in order to attend the Langford Farms camp program and should be able to independently change in and out of clothing, swimsuits, shoes, etc.

Note: Please be advised that Langford Farms is a large, social and athletic activity program. We provide structured and varied activities for the entire camp day. We recognize this may not be a good fit for all children. If you'd like to discuss if our program is a good fit, please feel free to contact the club at 615/754-8650.

Senior Camp: Completed Grades 6 – 8: The goal of our middle school program is to offer better options for youth who have aged out of traditional summer camp but are interested in doing more than just hanging out for the summer. Participants in this group will be integrated into the camp program as youth leaders, supporting staff and interacting with children in the junior camp program. They will develop skills like patience, empathy and respect, communication, responsibility and how to be proactive. Most of all, fun and interaction – it is camp!! They will spend their mornings participating in the activities of junior campers, team building, and/or training, and the rest of the day enjoying the amenities of our camp facility

with pool time, recreational activities and relaxed down time. They will work together and participate in a Community Service Project throughout the summer and will also have weekly fieldtrips for extra fun. Participants in this leader-in-training (LIT) program will be held to high standards and can be removed from the program if these standards are not met.

High School Volunteers: Completed Grades 9 and up: This program is for highly responsible high school students who have an interest in working with children. There are a limited number of spots available and anyone interested must complete an application and interview. Decisions will be made based on availability, application process, and the discretion of camp management. Being part of this program is a great way to develop job training while in a positive learning environment. It can be put on a resume for future employment and can meet the high school volunteer hours requirement. Please contact the club if interested.

OPTIONAL CLUB PROGRAMS: Opportunities to participate in Langford Farms Club programs such as swim and tennis lessons are available while at camp. Information on dates, fees and registration will be available at a later date. Check for updates on the website, www.langfordfarmsclub.com. Participation on the Langford Farms Swim Team requires a membership to the club. Call the office for more information at 615/754-8650

Camp Hours: Camp programmed activities run from approximately 8:30am to 4:30pm. Extended care hours, for the convenience of working parents and caregivers, are from 6:30am to 6:00pm. There is no extra charge for this service. A late pick-up fee will be charged if a child is picked up after 6:00pm. Please be prepared to pay when you arrive, or it will be added to your next billing cycle if a balance is due. Rates are \$1/minute late: Example: 6:15 pickup = \$15.

Drop-off/Pick-up: All children must be signed in and out each day at the office. Campers may be signed out, by an adult over the age of 18, and only to those adults indicated on the authorized persons list, or with written parental permission given in advance.

Lunch/Snacks: Langford Farms does not provide lunch, so a sack lunch is recommended. We will provide an afternoon snack for all campers, but our K/1st campers should additionally bring a morning snack. Information on other options for lunch and snacks will be communicated in the parent handbook, which will go out in May.

What to Bring: Please provide a refillable water bottle, lunch, snacks, sunscreen, swimsuit and towel, and a bag for all their belongings. Many children have similar items so labeling everything with your child's name is recommended. It is also recommended that campers wear tennis shoes and clothing that can get wet and dirty, in order to fully participate in many of the daily activities.

Parent Handbook: Information on how to prepare your child for camp and general information regarding the Langford Farms camp program will be forwarded to all camp families, via email, prior to the start of camp.

Camper's Choice

At Langford Farms we're all about about choice. Camper's have the opportunity to individualize their camp experience by choosing their *Majors* and/or *Minors*.

Minors: All campers will select their Minors from a counselor-led list of options. The options will be updated weekly and changed throughout the summer so that each day offers the opportunity for a new experience. Minors will not be determined until we have finalized staff for the summer and will be posted for the children each week,

Majors: Each week, our older campers will be able to choose their Majors. Majors will have either an Art or Sport emphasis and are more instructional in nature, offering a more well-rounded experience and the opportunity to earn achievement awards, ribbons and medals.
